Summit Couple Sued For Huge Sum for Arrests

NEVADA CITY — Two damage actions totaling $200,000 have been filed in the Nevada County Superior Court against Mr. and Mrs. John Ray McCarty of Soda Springs by Elmo Moriano, manager and owner of Beacon Hill Lodge, and Dan E. High, a Southern Pacific employe.

In the complaints against the McCartys, Moriano charges that he was arrested September 16, 1953, on a complaint accusing him of assault with a deadly weapon but the case was dismissed at a preliminary hearing at Truckee. He complains he was arrested on false testimony and the resulting publicity damaged his reputation to the extent of $50,000. He also asks exemplary and punitive damages of another $50,000.

The complaint filed by High is similar, with the added cause of action in which High states he was jailed until he was able to raise $200 bail.

The basis of the case is a dispute over ditches and fences. The McCartys had charged they were attacked by Moriano and High during an argument over the ditch digging.

GAMES SCHEDULED BY TAC HOOPERS FOR THIS WEEKEND

The Nevada City basketball team of the Placer-Nevada League last Thursday night forfeited the game to the Truckee Athletic Club and were replaced by Monty's of Grass Valley.

Truckee got off to a fast start with the Montys and never were in trouble. Displaying a speedy passing attack, they led from start to finish and were ahead 23 to 10 at the end of the first quarter, 34 to 21 at the half and 43 to 31 at the close of the third period. The game ended 58 to 42.

The TAC was led in scoring by teammates Al Wakefield and Jim Brehler, who scored 18 and 17 points respectively. Elmer Daley scored 21 for the Montys.

In tonight's preliminary, the 20-30 Club will take on the Tahoe-Truckee Alumni. Game time is set for 7:15.

Saturday night, the Athletics travel to Yerington where they will tangle with the Gruilli Motors five in a non-conference game.

Truckee has four wins and four losses so far this season and will be going for the fifth win and second conference victory with tonight's game against a strong opponent from Sacramento. This contest will also be the first home league game for the Athletic Club as Rocklin was delayed in arriving and Nevada City forfeited.

PTA Will Observe Day Of Founding At Meet

The Founders Day program with a special candle lighting ceremony in commemoration of the beginning of the Parents and Teachers Association, will be held in the Truckee elementary school on Monday, February 8th, starting at 8 P. M.

All past presidents of the local organization, with other members are given a cordial invitation to attend the affair. The fifth and sixth grades, under the direction of their teachers, Mrs. J. H. Roberson and Lynn Kishbaugh, will present the program.

During the business session at which Mrs. R. G. Leamon will preside, officers for the coming year will be nominated.

Refreshments will be served during the social hour.

ANCIENT BOOKS ARE GIVEN TO LIBRARY

A large number of interesting and valuable books and magazines were donated last week to the library of the Tahoe-Truckee High School by Mr. and Mrs. Richard Carnell who recently bought the former home of the late Mr. and Mrs. George Hinkle at Tahoe City.

The books which date back many years, were in the house when it was sold and the present owners thought that the library will place them within reach of the greatest number of readers.

McIVER CHOSEN ON SANITARY BOARD

The Nevada County Board of Supervisors Monday confirmed the appointment of James McIver as a member of the Truckee Sanitary Board to fill the unexpired term of Nate McCrary who resigned when he left to make his home at Roseville.

McIver is currently foreman of the Nevada County Grand Jury.

Other members of the sanitary board are Joe Mattos, R. W. Seibold, David Rose and William Curran.

Last Rites Are Held at Colfax For Thurman, Former Local Legislator

Funeral services were held on Monday at Colfax for Allen G. (Scoop) Thurman, 66, publisher of the Colfax Record for many years, who died in an Auburn hospital following a lengthy illness.

The rites were under the auspices of Illinoistown Lodge No. 51, FAM. Interment was in the family plot of Colfax District cemetery.

Thurman, former Republican state assemblyman, was widely and favorably known here where he often visited. He was for many years secertary of the Placer- Nevada Baseball League and was an ardent supporter of sports.

Thurman went to Colfax for his health in 1918. Two years later he purchased the Record and had been its publisher since that time.

He was a native of Port Townsend, Washington and worked on papers in the Pacific northwest before going to San Francisco where his health required him to leave for Colfax.

During his publishing career, he was ably assisted by his wife, Ruth, who survives.

Thurman was elected to the state assembly in 1938 and served in that capacity for nine years. He served one year in the senate, filling the unexpired term of the late Jerry Seawell when the latter was appointed to the state board of equalization.

Scoop will be greatly missed by his legion of friends, particularly by the sportsmen of the district who knew and liked him for his hard and untiring work in keeping baseball going in the league which he helped organize 31 years ago.

In his editorial policy, Scoop was fair and honest and every newspaperman in California will put "30" on his final story with deepest regrets.

Accused Drunk Driver Draws Delayed Sentence

Wayne Steffensen, San Francisco, this week started serving a 50-day jail sentence in the Nevada County jail in lieu of a $250 fine assessed by Judge F. W. Wilson on a drunk driving charge.

Steffensen was arrested here on December 12 while en route to Utah. He gave the court a hard luck story and was permitted to continue on his own recognizance after promising to return to pay his fine.

When he failed to appear, Judge Wilson issued a bench warrant and the defendant was arrested at San Francisco and returned. He protested it was all a "misunderstanding" and promised to make immediate amends.

Just so there wouldn't be any further "misunderstanding", the judge imposed the jail term pending receipt of the $250 fine.

SKIING PROGRAM IS ENJOYED BY LIONS

The skiing program of the local high school was explained to the Lions Club at a meeting held at Donner Lake Lodge last night when Gordon Butterfield gave a talk and showed movies on the French skiing method. Everett O'Rourke was program chairman and C. R. Heller presided. Guests included R. A. McQuaid of Hawthorne, Stan Tomlinson of Squaw Valley and Fred Driver of Quincy.

RED CROSS MEETS HERE THIS EVENING

Election of officers and making up the budget for the year will occupy those attending the meeting of the Red Cross this evening in the offices of the justice court. The yearly report from committee members will be heard. A home service advisory board meeting will also be held at the close of previous business, Mrs. F. W. Wilson announced. All persons interested are invited to attend.

SPRING WEATHER

Sunny, springlike weather, without a cloud in the sky, has featured local weather during the past week. Chilly mornings but warm days have prevailed.

Check Up—

August Benjamin was in a San Francisco hospital for a check up this week.

New Precincts In This Area Given Official Approval

Establishment of two additional voting precincts in this area was approved by the Nevada County Board of Supervisors at Monday's meeting.

That means, Supervisor H. G. Loehr said, that the Truckee area will have five precincts. Loehr was sponsor of the plan. The new precincts will be located at Donner Lake and Florsiton, the exact locations to be determined later.

It is also expected that a more equitable division of the two precincts right in Truckee will be worked out to equalize the duties of the boards and make it more convenient for the voters.

The relocation and separation of the boards will make it necessary for a number of voters to reregister for the forthcoming elections, but they will be notified well in advance by County Clerk Ralph Deeble, Loehr said.

Revamping of the precincts met with no opposition, Loehr declared. The project was started because of the fast growing outlying areas and to eliminate the heavy work in the existing precincts.

PASSENGERS HURT IN CRASH OF BUS, TRUCK ON DONNER

Five passengers on an eastbound American Buslines bus were hurt, none seriously, according to first reports, in a collision between the bus and a state snow plow near Kingvale on Donner Summit last Friday at 12:40 A. M.

The passengers, including those with minor injuries, were transferred to a Greyhound bus and taken on to Reno.

State Patrolman Martin Sturcke who made the investigation, said the snow plow, operated by Lester Norris of Sacramento, apparently lost a skid chain which wrapped around the truck axel causing it to go out of control and crash into the front of the bus. The bus driver, Edmund C. Mulford of Concord said he could not avoid the truck.

No citations were issued.

Car, Truck Crash

Frank Whitehead Evans, Salt Lake City, was treated at the Tahoe Forest Hospital for minor injuries after his light convertible and a truck and trailer operated by Donald J. Simpson of Reno, collided at Hirschdale Monday at 5:30 A. M.

State Patrolman William Gautsche said evidence pointed to the fact that Evans drove onto the wrong side of the highway and his car struck the wheels of the trailer. The lighter vehicle was nearly demolished. Evans was cited.

CIARDELLA FILES SUIT OVER MISHAP

RENO — Humbert Ciardella is plaintiff in a $20,000 personal injury suit filed in district court this week.

Defendants are Carl Woodbury, doing business as Nevada Sea Food and William F. Ducker, an employe of the firm.

The complaint said a Nevada Sea Foods truck driven by Ducker struck Ciardella while the latter was walking across E. Second St. on a pedestrian crosswalk last September 9.

Ciardella is alleged to have suffered a fractured rib and other injuries.

PTA Jitney Dinner

The High School PTA will have a jitney dinner next Thursday, February 11 at 7 p. m. followed by a program to be presented by the musical department of the high school including the chorus and band.

In addition to the musical program, Mrs. Abbott is arranging a special program commemorating Founders Day.

DRIVING CLINIC

The Wyethia Club will soon sponsor an adult driving clinic on California Highway Patrol requirements for safe operation of vehicles under ordinary as well as storm conditions, Mrs. Fred Pedley club president, announced.

SUNBEAMS

By WALTER M. BARRETT

The approach of the 44th annual Boy Scouts of America Week which will be observed February 6-13, serves to remind us of the splendid and constant work being done by this great organization. It's all too easy to take good things for granted. It's all too easy to take the achievements and the services of the Scouts as a matter of course. But this ought not to be. We know that Scout training has made millions of boys better men. We know that countless communities have benefited by the vigor and enthusiasm of local Boy Scout groups which have initiated and assisted in carrying out worthwhile civic projects. We know that our national strength both in peace and war has been made greater by the aims and activities of Boy Scouts of America. It is fair, then that we not only give the Boy Scouts a word of thanks and praise during their annual week, but that we do all we can to support the Scout activities throughout the year.

S.P. TOURS FOR BOY SCOUTS ARE SLATED

Southern Pacific Agent Earl Stice announces that he has received permission from Superintendent M. L. Jennings to invite Scout Troops of this area to make inspection tours of the company's facilities here during Boy Scout Week, February 6-13. Stice said a tour of local facilities can be arranged by Scout leaders contacting him. Tours of the roundhouse, freight sheds, shops and other installations can be made.

SNOW SHOVELER IS SAVED AFTER SLIDE

SUGAR BOWL — Jose Covarrubias, buried several feet beneath snow which avalanched off the roof of the Mortimer Fleishhacker, Jr., chalet, was rescued quickly by a group of socially prominent San Franciscoans directed by Fleishhacker Sunday.

Unconscious when uncovered, Covarrubias was taken to the Tahoe Forest Hospital where a check-up disclosed he suffered no ill effects.

Covarrubias was clearing snow off the roof of the chalet when it avalanched on top of him.

Participating in the rescue were the Italian consul general in San Francisco, Baron and Baroness Filippo Muzi-Falconi, weekend visitor of the Fleishhackers; Diana Burgess, Harry Stevenson and Tom Crowley, guests at the home next door, and Mr. and Mrs. Gary Belcher of Atherton.

PLANNING GROUP STUDIES NEW PLAN

NEVADA CITY — The Nevada County Planning Commission Tuesday night studied the preliminary draft of a proposed land use ordinance which would, if enacted, regulate sanitary practices, industrial developments, parking, and other factors of living throughout the unincorporated sections of this county.

The proposed legislation does not set up definite zoned areas but defined various zoning factors.

A. T. Parsons, zoning consultant retained by the planning commission and the board of supervisors, explained to the group that the proposal submitted was an enabling act and not a zoning ordinance.

OPEN HOUSE

Phillip G. Scadden of Nevada City held open house yesterday in celebration of his 80th birthday. The special cake was baked, decorated and cut by the host, a former assessor of Nevada County and widely and favorable known in this area.

In Arizona—

Mr. and Mrs. Hugh Smith were called to Arizona last week because of a death in the family.

Chamber to Study Trade at Home Proposed Project

Sparkplugged by Charles Osburn the Truckee Chamber of Commerce Tuesday night devoted much of its meeting at Brown's Cafe to a pointed and enlightening discussion on the importance of trading in Truckee. Howard Newsham presided at the session.

Osburn said that he believed the chamber is overlooking an important function by not sponsoring a trade-at-home educational and promotional campaign, stressing the fact that the welfare of the community and its future depends entirely upon the support it receives.

A seasonal unemployment problem, he said, could be erased if fewer people, firms, political intitties and institutions would be more loyal to the community which makes it possible for them to thrive here.

"Truckee," Osburn said, "is equipped to supply almost every need of the community. Money spent here maintains payrolls, pays taxes and keeps the community going. Without support we can't survive."

He added that this same money spent in other cities is forever lost to Truckee and that local firms are hard pressed to keep up payrolls, taxes and other necessary expenses when the profits to which they are entitled go to distant cities and mail order firms.

The chamber agreed to make a concerted study of the matter as it applies to institutions and public spending, and promised to promote as far as possible, a trade at home campaign.

Plan Celebration

Rex Reid, Earl Stice and Oscar Quam were named on a committee to make arrangements for the annual Independence Day observance which will be highlighted by a fireworks display at Donner Lake.

To Promote Area

Orval Vaughan gave a comprehensive report on the activities of the publicity committee which is stressing an innovation expected to benefit not only Truckee itself but considerable of the surrounding area, including the Donner Summit district.

This will be accomplished, the committee chairman said, by responding to inquiries regarding the area by sending out pamphlets and other information from the many resorts in the region. Special emphasis will be placed on coming events and programs, whether they be entirely local or in the vicinity.

The plan, Vaughan said, is meeting with enthusiastic approval and resort owners have indicated their willingness to reciprocate by their support of the chamber.

The next meeting of the chamber will be held at Brown's on January 18th, Newsham announced. Anyone interested is invited to attend.

Clothing Boxes For Korea In Local Stores

Boxes for the collection of clothes to be sent to Korea have been placed at Walker's Toggery and at Rose Brothers Market. Local citizens are requested to deposit their good used clothing and shoes in these boxes.

This project is part of the Donner Troop's observance of February as International Month for Girl Scouts and Girl Guides.

Girls Basketball Team Prepares For Contests

This weekend, the Tahoe-Truckee High School girls' basketball team will be hostess to two teams on the local court. Friday at 6:30 they will be trying for an upset over Douglas. In an earlier game this year, the team from Douglas, rated high in Nevada basketball league, defeated the locals and Friday's game should be a good one.

On Saturday, the Stewart girls' team will play here at 5:30 p. m. In a previous game, the Tahoe-Truckee girls won 30-21. Both of the games this weekend promise exciting basketball fare for the local fans.

Mr. and Mrs. Charles Kay celebrated their wedding anniversary on Saturday.

Tweety Pie Gives Local Fireman the Bird After Escape From Home Here

Tweety Pie—a young blue parakeet belonging to the Charles Kay family, caused a commotion in the business section of Truckee yesterday morning that could put a parade to shame.

Tweety Pie escaped from the back door of the Kay home and winged his way downtown.

The evasive parakeet eluded pursuers, giving them the bird as it flitted from pole to pole and wire to wire, 'til Fire Chief Tom Dolley manned the truck of the volunteer fire department and Commissioner Tony Pace played a fine stream of water on the culprit. With its wings wet, Tweety Pie settled to the sidewalk and was carted off to his home for a hot toweling and foot bath.

The escape was accomplished when Sylvester, the family cat, got into a fracas with another feline neighbor and the parakeet apparently flew out to aid his companion, Sylvester.

COUNTY WELFARE OFFICER TO MAKE TRUCKEE VISITS

George Lowry, head of the Nevada County Welfare Department, was here yesterday making arrangements for regular visits by his department to Truckee to care for welfare cases in this area.

The first visit will be Monday, February 15th and each two weeks after that Coid Gardner will be at the office of the justice of the peace between 11 and 12 A. M. The balance of the day during the local visits will be taken up with investigations and interviews, Lowry said.

Lowry said that there are comparatively few cases needing the services of his office in this area. He added that anyone wishing to contact his office between visits may do so through Supervisor H. G. Loehr.

Liane Kay Is Honored At Birthday Party

Liane, daughter of Mr. and Mrs. Charles Kay, celebrated her 7th birthday on Monday with the following small guests enjoying the occasion with her: Cathie Street, Leilani and Kathy Braascch, Gary and Joanne Costa, Dianne Cardinal, Jean Wakefield, Betty Baysinger, Anne Morey, Carolyn Vaughan, Peggy Eisenhower and Quinton Kay.

Girl Scouts To Visit Newspaper Offices

Girl Scout Troop No. 2 and Brownie Troop No. 1 accompanied by Mrs. Jack Ellis will visit the offices of the Sierra Sun Monday afternoon when equipment and methods of newspaper production will be explained to the girls.

At an earlier meeting, the two groups were given bicycle riding tests by State Patrolman Carroll Maynard and will be issued their safety cards next Monday. Questions were answered relative to safe driving. On February 15 the girls will take tests on the motor vehicle code.

Attorney Reported Ill At Sacramento Home

Francis W. Robichaud, who recently opened a law office in the Riverside Hotel building is reported to be confined to his home at Sacramento with a mild attack of pneumonia.

The attorney had been in the process of moving his office and residence to Truckee and had gone to the capital city to make arrangements for the change. He will not be at his office here for at least a week, according to word from his home.

LICENSE ISSUED

A. J. Hillsamer of Reno and Stella M. Gill of Kings Beach were issued a marriage license at Reno this week.

Visit Here—

Mr. and Mrs. Orville Raby are guests of Mr. and Mrs. Leslie Grow of Truckee. Raby is on a leave from the army before going to Korea.

Four Nabbed For Gas Thefts; Two Draw Jail Terms

Theft of gasoline from parked and stored vehicles in Truckee, has led to the arrest of three young men and a bench warrant charging high misdemeanor has been issued by Judge F. W. Wilson for the fourth.

Two of the four, LaVerne Hocker and Francis Torri, both of Truckee are currently serving 30 days in the county jail for violating the parole granted by Judge Wilson immediately following their arrest. A third, Fred Holt of Tahoe City, has been given a suspended 60-day jail sentence and placed on probation for a year.

The fourth man, Jack Thomas of Truckee, involved, officers said, in a separate offense, is being sought for questioning.

Hocker and Torri were arrested by Constable N. F. Dolley, who said he spotted them leaving the Truckee Garage Saturday night carrying cans of gasoline and a hose, apparently used to syphon gas from vehicles stored there. He placed the gasoline and hose in the jail and took the two to Judge Wilson who sentendecd them to 30 day in jail and suspended the terms after placing both under probation.

Within a matter of minutes both had violated this probation, Torri by becoming involved in a fight. Hocker, Dolley said, returned to the jail and took the gasoline.

Hocker at first denied taking the gasoline and while being questioned is alleged to have slipped his car keys to Holt who fled when Dolley followed him to the car. Later he surrendered and was placed on probation for his part in the petty affair.

Second Case

Thomas was arrested last Friday night by Deputy Sheriff Roy Waters when he was allegedly syphoning gasoline from County of Nevada equipment located near the Standard Oil Company plant.

Waters took the suspect to the local jail in the latter's car. While the officer was unlocking the jail door, Thomas fled. Waters began a search for him and later when he returned to the jail he found that the car was also missing.

A bench warrant, charging him with illegal flight was issued by Judge Wilson but up until today Thomas had not been located for questioning, officers said.

WOLVERINES LOSE FOUR OF FOUR IN WEEKEND GAMES

The Tahoe-Truckee High School basketball teams lost all four of the games played during the weekend. The Wolverines lost two to Carson City Friday night and two to Hawthorne on Saturday.

With the Tahoe-Truckee team host to Carson Friday, the locals lost the Varsity game 36 to 13 in the lowest scoring game of the season. Aaron Thomas and Les Lazzari each scored four points as high scorers for the Wolverines.

The JV lost to Carson by a 48-23 score. Bob Sanford was high point man for Truckee-Tahoe with two field goals and three free throws totaling seven points.

Saturday night the Varsity and Junior Varsity traveled to Hawthorne. The Varsity lost 53-35 and the JV lost 40 to 21.

Jerry Quam with nine points, was high scorer for the locals and Mike Soltau was high for the JV with five points.

Friday night the Tahoe-Truckee Varsity and Junior Varsity teams will be hosts to Douglas High School, and on Saturday night, the Wolverines will host the Stewart High School teams.

Game time has been set for 7 p. m. both evenings. On the basis of previous practice games with these two schools, it would seem that the local basketball fans are in for a very exciting weekend at the local gym.

Parcel Post Party Is Planned by Lodge Here

Noble Grand Alice Mayer presided at the regular meeting of Naomi Rebekah Lodge No. 2 last Wednesday. Eleven members were present. Plans were discussed on the parcel post party to be held April 28th and members were reminded to have their packages ready as soon as possible.

Refreshments were served following the meeting by Pearl Heller and Alice Mayer.

The next regular meeting will be next Wednesday and all members are reminded to attend.

Snow in Livermore

Mrs. J. H. Bernard returned this week from Livermore where she was the guest of her son in law and daughter, Mr. and Mrs. Warren Davison.

The trip provided nothing new from a weather standpoint.

It snowed in Livermore.

RALPH DEEBLE IN RACE TO RETAIN OFFICE OF CLERK

Return to the office which he has capably filled for several years is asked by Ralph E. Deeble in seeking re-election as the county clerk and auditor—an office frequently rightly termed the "keystone office of the county government system." Deeble has been for the past 23 years an official in the office of the county clerk and auditor, first as chief deputy and later as principal. He has the distinction of being the first incumbent county officer to announce in the 1954 campaign. The primary election will be held June 8, 1954.

Introduction of Deeble to the county residents rings a familar score as a native-born citizen who readily gained success in his chosen field and who has spent almost half of his lifetime in public service.

As a brief sketch of Deeble's background—he was born in Grass Valley, educated in the public schools, and graduated from the Grass Valley High School with the class of 1923. Almost immediately after graduation, he entered employment in the old Nevada County Bank which later became the Grass Valley branch of the Bank of America. He spent seven years thoroughly indoctrinating himself with banking principles, auditing and management, an education which later proved valuable when on January 2, 1931, he entered the office of county clerk and auditor as chief deputy under the late R. N. McCormack.

Deeble held this position until McCormack's death and on September 2, 1947, h was appointed as county clerk and auditor by the county board of supervisors. As a result of his ability in fulfilling the duties of this office he was re-elected in June, 1950 without opposition, receiving a handsome complimentary vote.

In reflection of his years of service as county clerk and auditor, Deeble takes undisguised and justified pride in one important phase—that of each succeeding grand juror auditor in his annual report declaring "the books and accounts of the dual office of clerk-auditor to be in excellent condition and that said books are used as the basis for conudicting the examination of all county functions."

The office of county clerk and auditor is one of the largest, both in area and staffing, in the county system of government. This is rightfully understood when Deeble's duties are reviewed as county clerk and ex-officio clerk of the superior court, with responsibility of filing all actions, civil, criminal, probate, in said court; the responsibility of all citizenship and naturalization matters as well as passport applications and all other duties set up by statute covering the county clerk's office. Deeble is also ex-officio clerk of the board of supervisors, member and secretary of the Nevada Coutny Plannig Commission, member of the county boundry commission, registrar of voters and, as such, conducts all county wide elections except school elections. A host of other sundry duties fully occupy the time and activities of the clerk and his staff.

As county auditor, Deeble is the actual bookkeeper and guardian of a business which for the fiscal year 1953-54 will involve responsibility for accounting for $3,794,719,.00, as set up in the annual budget. Expenditures must be in strict accordance with the county's legally adopted budget and a day by day balance of tranactions maintained. Throughout all this must be maintained smooth running coincidence with the treasurer and tax collector's office, and, in legal authority, the district attorney's office.

A by no means small task in the clerk and auditor's busy schedule is the annual drafting of the county's fiscal year budget, a detail in itself requiring a least two months of concerted effort and planning. This involves many conferences with the board of supervisors, and also involves direct and elaborate reports to the office of the state controller.

Deeble pointed out that county business, like that of all business, has developed and expanded with the trend of the time. During his incumbency, Deeble installed a simplified and approved accounting system which expidites the volume of business in his office.

The incumbent county clerk is married and maintains his home in Grass Valley. He has been closely identified for many years with the affairs of Emmanuel Episcopal Church of Grass Valley. He is prominent in Masonic and Elk circles; is a member of the Grass Valley Lions Club; treasurer of the Grass Valley Aerie of Eagles; a member of Quartz Parlor N.S.G.W; a member of the executive committee of the County Clerks Association of California, and a member and secretary of the board of trustees of the Grass Valley Public Library. He also takes an interest in community and county civic affairs.

With a background of 23 years of public life service Deeble's modesty of a record of efficiency and ability is overshadowed by his simple statement: "I have no campaign 'platform' other than that I seek return to the office of county clerk and auditor on the basis of my open-book record. I would continue to give honest and courteous service to the public and every consideration to the taxpayer. In this endeavor, I would enjoy the able assistance of my staff members — Deputy Court Clerk Jack K. Hansen and Deputies Jean R. Keeny, Rita E. Hutchison and Vera Steger."

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS) Although Assemblyman Caspar Weinberger of San Francised decided to withhold the recommendations of his liquor investigating committee from the public for a week, despite the fact that he and other members of the committee disclosed them in full to Governor Goodwin J. Knight, some reasonably sound assumptions can be made from the conversations on the subject with the governor and committee.

First, Kinght has the problem squarely before him as to whether he will call a special session during the budget session next March, to consider the liquor question.

Second, it can be assumed that the Weinberger committee, which held eight full days of hearings, and questioned over 200 witnesses on liquor administration in California, will recommend that a constitutional amendment be submitted to the people requesting separation of liquor control administration for the state board of equalization, and that it be placed under a liquor department, probably with a liquor administrator appointed by the governor.

Third, extensive substantive changes in the alcoholic beverage control act, including a new method of handling the issuance of liquor licenses, will be recommended for action at the special session. These substantive changes could be adopted no matter what agency has control of liquor administration, for the boar dof equalization is bound to carry out the desires of the legislature as expressed in the ABC act.

Apparently, it is this third item which has Governor Knight worried. Although both the governor and the committee members skipped questions as to the extent of the proposed changes, Knight did say that the committee's proposals "involve a lot of money", and explained further that it was not liquor administration money, but property rights as connected with the value of liquor licenses.

Under procedure practiced by the board of equalization at the present time, a procedure permitted in the ABC act, the board issues a liquor license at a cost of $525. When the recipient of the license receives the piece of paper authorizing him to sell liquor, he has obtained something of value far beyond the $525 that goes into the state's coffers, for the simple reason that the board is restricted in the number of licenses it can issue under the law.

Consequently, the value of the license, which may be transfered on approval of the board, is far and beyond the original amount paid to the state, in some instances licenses have sold for as high as $20,000.

Tavern owners, therefore, count a license as a major asset, for without it, their other assets are worth exactly nothing.

Now, should the Weinberger committee propose in some manner or another to wipe out the value of the license, as was indicated from the governor's conversation, the politicians can well be worried, because of the huge individual values built up in the licenses over a period of years, and the patent necessity of the liquor interests protecting these licenses.

In any event, the problem has developed to be more complicated than the governor at first anticipated. He said that until hearing from the Weinberger committee, he believed the matter was the removal of administration from equalization. And the final action will determine how much power the liquor lobby does have in Sacramento!

FRANK GORDAN TO SEEK REELECTION

SACRAMENTO— Secretary of State Frank M. Jordan this week announced he would be a candidate for reelection at the forthcoming June primary.

The secretary of state, a Republican, said "the importance of the office in the conduction of elections makes it mandatory it be run on a non-partisan basis." He said he was seeking reelection on a purely non-partisan basis and announced he would file on both the Republican and Democratic tickets.

YORTY TO RUN

Congressman Samuel W. Yorty, Los Angeles Democrat, announced this week he will be a candidate at the June primary for the United States Senate seat now occupied by California's appointee junior senator Thomas H. Kuchel.

Tahoe Items

by Jeannette Mitchell

Dear Friends: What could be finer that these beautiful springlike days. It is almost unbelievable for this time of the year and most of us are finding it very wonderful indeed. Even noticed a few housewifes washing windows, I among them. But we had better watch out. This weather has a bit of mystery surrounding it. We never know, do we?

Contrary to the belief that it is bad for the skiing business, I hear reports that there are great crowds visiting our sunny shores over the weekends and that makes us feel just about o.k.

Speaking of skiing, I heard about the trip four of our Lake Tahoe boys took, sponsored by the Lake Tahoe Ski Club, and accompanied by Coach and Mrs. Gordon Butterfield, Mr. and Mrs. Jack Starratt, Mr. and Mrs. Wes Donaldson, Mr. and Mrs. Ray Fellows and Pete Hugo, to Yosemite National Park for the Far West Ski Association divisional junior meet. Those four boys surely brought home the laurels for which we all can be proud. They included Lewis Fellows of Carnelian Bay who really closed out all comers for top honors for the entire weekend in his class, followed closely by Jimmie Hugo, Rex Donaldson and Gary Brumbaugh. It was regretted that Gary Anderson could not attend due to illness, but better luck next time Gary. Take good care of yourself and you'll be ready, we hope, for the next big event which comes up on February 21st. That will be the F.H.S.A. divisional jumping championship to be held at Olympic Hill at Tahoe. The public is cordially invited to attend and view the events, so let's turn out strong to back our boys with cheers to further victory. They are great little guys!

Around about that same time, February 20th, the second annual Hatchet Hop sponsored by the Lake Tahoe Ski Club will be held at Tahoe Inn, orchestra and all. There will be entertainment and barrels of fun.

On February 5th at 8 o'clock, the Ski Club will be holding their regular meeting. Why don't you join in the fun.

Friends of Einer Wethel will be more than happy to learn that he has returned from his native Norway to spend a few days with old acquaintances and guess what —Einer has introduced us to his beautiful and charming bride, Ingrid. Congratulations and many years of happiness to these two fine people. Ingrid and Einer will not be with us for much longer I understand they are leaving for Oslo again about Monday or Tuesday. They flew out from Oslo to Seattle and came by bus to Tahoe and will return by the same route. Ingrid is in the employ of the Scandinavian Airways so is quite a veteran of the air. Mrs. Ruth Hoffman and Ben Jones gave the Wetzels a turkey dinner Saturday night, January 30, followed by a party. The Gus Gehlerts were present at the dinner and it is at their home Ingrid and Einer are staying during their visit. After dinner Mr and Mrs. Dinty Moore and Mr. and Mrs. Foster Record joined the group for more fun and dancing to the tunes played by Dinty on his electric banjo and Mrs. Records accordion.

Ruth Hoffman and Ben Jones have set February 20th as the date for their wedding .They will be married at Reno and return to Tahoe for their honeymoon.

Our most recent newlyweds, the Pete Vannis, are still on their honeymoon and reports from mother and dad Dunne are that they are touring around the northern part of the states but are yearning for their good old Tahoe. Be glad to see you back.

The Stark family, the Roy Starks of Dollar Estate, really put on a big birthday party the other night. A turkey dinner with all the trimmings, followed by a birthday cake of huge proportions with three red candles. Yep, three. One commemorating the birthday of Alberta Stark, one for Harold Stark and one for Bob Stark. What a happy feast that must have been with Mr. and Mrs. Harold Stark of San Rafael there with Donald, Darryl and Mary Ann; Mr. and Mrs. Bob Stark with Shirley May, Darlinda and Debby; Mr. and Mrs. John Anderson and daughter, Joyce; Mr. and Mrs. Don Johnson with daughters, Susan and Rebecca and of course Mr. and Mrs. Roy Stark. Happy returns to you all.

Understand young Donald is staying on to attend the Tahoe Truckee High School.

Phil and Nola Olander are still in Menlo Park and say little Phyllis is quite the young lady now We miss that young couple and are sad to hear they do not plan to return to Tahoe.

Well, folks, leave you for this week and hope this letter finds you all well and happy.

Jeannette Mitchell.

LEWIS FELLOWS IS WINNER IN SKI MEET OF FAR WEST BOYS

TAHOE CITY— Word from Badger Pass says that Lewis Fellows, 16 year old whiz from Lake Tahoe's Carnelian Bay, took a gelaenbesprung toward national skiing honors Sunday in the Far West Ski Association junior championships.

Writing in the San Francisco Chronicle, Roger Thompson says Fellows beat his perennial rival, Bob Kinmont of Mammouth Mountain Ski Club, by 3.4 seconds in Sunday's 30-gate slalom race and the day previously defeated Kinmont by seven seconds in the mile and a half downhill race at Yosemite's Rail creek course to make the best combined point score.

Fellows, skiing under the colors of the Lake Tahoe Ski Club, made it a clean sweep over the weekend. He won the national jumping tryouts Friday. He is looked upon as a favorite in the Far West Ski Association meet to be held at Jackson, Wyoming in March.

Some 110 youngsters from California and Nevada participated in the Yosemite contests during the two days.

Other local winners in the meet includedKit Schull of Norden, representing the Sugar Bowl, who was second in the Class Three combined events. Rex Donaldson of the Tahoe Club was third in this class.

In Class Five, for girls under nine, Sandra Fellows of Lake Tahoe came in second.

The Lake Tahoe Ski Club is making preparations for holding the Far West Ski Association's jumping championships at the Olympic Hill at Tahoe City on Sunday, February 21, when a large group of junior skiers will compete for championship marks in what promises to be one of the season's outstanding events.

Mrs. Blanche Donaldson is the tournament director and is now sending out applications and information on the meet.

Following the meet, a skiers' dance will be held at Tahoe Inn.

F.W.S.A. awards will be made to the first three place winners in each division.

Tahoe Boy Recovering From Auto Accident

TAHOE CITY— Jay Stuart, son of Mr. and Mrs. J. R. Stuart of Tahoe City, is able to be up and around on crutches after spending last week in Washoe Medical Center in Reno where he underwent surgery to correct a nerve injury in his left knee. The injury was caused by an automobile accident on October 31.

TAHOE BUILDING SHOWS HIGH MARK DURING PAST YEAR

TAHOE CITY— It was revealed in a report submitted by R. H. Watson, Placer County building inspector, that during 1953, 202 permits were issued at a value of $1,147,255 in the Lake Tahoe area of the county. These permits included a number of high-class motels in the north Tahoe district, the report pointed out.

The number of permits at the lake exceeded those in the cities of Roseville and Auburn and in all other areas of the county.

TAHOE NEWS

Mr. and Mrs. Harvey Proctor of Tahoe City were among the local friends who attended the last rites held at Chico for Nathan Sexton, former Tahoe resident.

The T. H. Rush family has moved to Reseda.

Miss Shirley Pyle, formerly of Tahoe City, was installed as worthy advisor of the Rainbow Girls at Auburn last week.

The K. B. Steddoms are living temporarily at Santa Barbara but will return to their Tahoe home in the early spring.

NORTH TAHOE

by HARRY CHARRISON

Cal Vada Lodge was the scene of a banquet on Tuesday of last week when the Council of North Tahoe Organizations met to install the officers for the 1954 term. The Lake Tahoe Lions Club met jointly with the council and it was a ladies night. The affair took on a gay setting and the ladies were provided with corsages made of yellow carnations. Jerry Gordon made remarks on the formation of the council a little more than a year ago. Being one of the representatives from the Brockway Rotary at the time, I had the pleasure of installing the new officers. Otis Wing is the new president, Gene Thompkins, vice president; Margaret Madden, secretary-treasurer. Andy Sorensen is the three-year trustee, Rube Welch, two-year trustee and Dorothy O'Brien, one-year trustee. It was revealed that since the big meeting held here at Cal Vada two years ago, wonderful results have been obtained both from the state road department and also the board of supervisors of Placer County. This extends to even having the Brockway--Truckee Cutoff open for traffic even to this late date. It is the first time in history that this has happened and it is greatly appreciated by all the residents of this area and we take off our hats to both state and county road departments. It was through the efforts of the council that the dangerous condition at the turnoff of Highway 28 at Highway 50 was corrected by the Nevada road department. Walter Mandeville is the outgoing president of the council and presided at the session.

It looks as though the "eyes have it" with the Meredith Siples who are presently staying in Glendale. Both Dee and Meredith have had minor operations on their eyes and by all accounts both have been successful, for which we are very glad. Dee tells me they had a nice visit with the Ashtons at Pasadena.

Had Ned Malla up for a few days from Palo Alto. His remark as he left this Friday morning was: "Oh, gosh, I don't want to go; I'd like to stay for the rest of my life." I think that is his intention, too. Soon we hope.

Well, the Howard (Curley) Masons of Kings Beach Automotive Service, are back home after a long, long trip east. The place where they put in tht most of their time was their former home state of Massachusetts and Springfield was the city where Mrs. Mason's sister entertained them so lavishly. Curley tells me the trip all the way was beautiful and no trouble at all was encountered. But, the trip back was not so good. Where there was no rain, there was snow and where there was no snow or rain there was ice and car trouble. Curley says he should have taken a mechanic along. He'll know next time. Of course their two lovely children went along and all are glad to be back.

Bert King of Kings Beach was telling me that his son, Norman, has been up here about two weeks. Norman, another of our Kings Beach products, has been in the navy on one of those beach landing craft and is a metalsmith 3rd class, but will be 2nd class shortly after his return to Long Beach. Bert says that soon after his return he leaves for Korea.

We know just what you out-of-towners are thinking—that we up here are having a lot of snow! This is Friday afternoon, the sun is brilliant, the temperature is a warm 45 degrees and I'm having hard time keeping my wife from taking a dip in the lake. The short cut is open and no chains required. No kidding, it's wonderful!

Just as a follow up, this weekend has been a beauty; sunshine and the lake like a mill pond. And the happy young skiers are really having a good time. I am told that there were eight buses loaded with them. We sure have to congratulate Joby Lewis for his interest in the project. It is one of the best advertisements we can have at North Tahoe.

Jimmy Astel tells me that the operation performed on his wee three-year-old was quite successful. Jimmy and his good wife took the baby home and he is doing wonderfully well. Now Grandpa Astel can relax. He tells me he might go as far back as Fair Oaks, where the family resides, for a while.

Mrs. Vivian Summerfield of Incline Beach, who lately returned from a hospital at Reno where she was taking treatments, has left for Arizona where she will recuperate from her illness. Her many friends wish her well.

Among those from this area to attend the trap shoot and convention at Las Vegas the past week were Johnny Rayburn, Fred Baker and Everett Campbell. We hope they brought home the bacon.

Frank Pope, carpenter at Kings Beach, who left for southern California about a year ago, is back at his home in Kings Beach. Frank's son, Walter, is with the county this year and is doing a swell job on the snow plow with Frank Wagner.

June Mandeville informs me the annual Women's Hat Party will be held this year on Thursday, February 25th, with a cocktail party at 6:30 and dinner at 7 at Sierra Lodge. This is just a reminder that reservations are to be in by the 20th and each member may bring a guest. There will be entertainment and always a good time. More about this later.

Had a very nice letter from Mrs. Clarence O. Schrader of Tahoe Vista, now living in Brentwood, Los Angeles, saying how they miss this place but keep in touch by the Sierra Sun. A very wonderful donation to the church fund was enclosed in the letter. Mrs. Schrader also sent greetings to young Davey Ashton and others of her friends.

The Albert McEathrons are back at Kings Beach after going out for the winter. It is sure nice to see so many of our good friends returning. It gives one a touch of spring.

Another milestone was celebrated by Audrey Welch at the home of Mr. and Mrs. Frank Wagner in Kings Beach on Saturday, January 30 and what a turkey dinner they had, with all the trimming, and how! After a merry old time at the table and the distribution of gifts, the party reluctantly left the table which by that time was bare. They left for Crystal Bar at Crystal Bay for a lot more fun and dancing. It was a birthday that Audrey will remember for a long time. Those present included Lillian King, the Gene Howards, Ernie Crawfords, Mike Konazowichs, Ray Ehlers, Gordon Bitlers, Carl Brookses, Unice Landrum, Rube Welch, Vince Kientz, Marilyn Welch and naturally Frank and Minnie Wagner, host and hostess. And now I can too say Happy Birthday to Audrey.

AROUND TAHOE CITY

Don and Mrs. Painter of Lake Forest tell me they are spending a very nice winter at Sacramento. Don was pretty well recovered from injuries acquired in his accident at Carnelian Bay a while back and will be all set for a big summer at the lake.

Mrs. Y. F. Ball of Tahoe City left this week for Auburn where she will spend sometime living in the Midway Trailer Court while her husband undergoes treatment in a hospital.

Steve and Mrs. Korich of Tahoe City are now in Las Vegas where they expect to stay for at least a couple of months. We are sure going to miss Steve around town.

A slip following a wedding party at Tahoe City last week was the cause of Van Gaston of the Sky Lodge at Tahoe City breaking his leg in front of Tahoe Inn. He was taken to the Tahoe Forest Hospital for treatment and then removed to Auburn where he is reported doing nicely.

Nice to see Clarence S. (Butch) Beavers shoveling the snow away from his domicile at Sunnyside. Butch says it won't be long now until they are back for keeps. At the present it will be back and forth from Reno where they have a trailer at the Orchard Trailer Court on 395. Drop in and see them. They get lonesome.

According to Constable Harry Johanson the constables of Placer county held a special meeting with the board of supervisors in Auburn last Monday. Wonder what's cooking!

Glad to see that our old friend Al Snyder is coming along and will soon be as good as new after his siege of being under the weather.

HIGHEST POINT

Mount Davidson, 925 feet, is the highest point in San Franicco.

SUgar Bowl Club Is Winner In Speedy Contest On Summit

SUGAR BOWL — Hans Gerl, a professional representing the Sugar Bowl Ski Club, flashed the best time Sunday in the downhill only of Wengen Trophy race when he sped over the eight-tenths of a mile course in :54.2 to win the open class.

Sugar Bowl Club took first in all seven events, with Hannes Boehm turning in the fastest time among the pros, :54.5 in the Class A event.

In the Class B event, Earle Ruffa of Sugar Bowl was first and in Class C, Howie Norton, also of the Sugar Bowl club took top honors.

In the women's Class A Babbete Haueisen of Sugar Bowl was first and in Class C for women Sugar Bowl's Patty Stratton was first.

One Out of Each Nine Drivers Cited In 1953

During 1953 one out of every nine motor vehicle drivers in the state was cited by a member of the California Highway Patrol for failure to observe traffic regulations.

"A ghastly by-product of this disregard for traffic laws was 3376 person dead and upward of 110,000 injured," said Patrol Commissioner B. R. Caldwell this week following a review of provisional reports on the 1953 traffic toll.

There were 3562 fatalities during 1952.

"Seven per cent of all drivers or almost one-half million, were observed committing dangerous acts while their vehicles were in motion. These are the violations that most often result in death or injury," Caldwell emphasized.

SUNNY WEATHER PREDOMINATES IN LAKE TAHOE AREA

TAHOE CITY— Bright, sunny weather predominates the weather picture at Lake Tahoe following a light storm last week which left only a trace of precipitation.

There was a total of 16 inches of snow on the ground Monday.

The lake level stood at 6227.30 feet with two gates on the Truckee river dam open, Art Frodenberg, the cooperative observer at the dam, reported.

Temperatures remain mild with the low for the week 17 last Wednesday and the high 47 last Friday.

What PRICE Water?

WATER IS FREE—YET EACH MONTH YOU GET A WATER BILL.

BY WHAT RIGHT?

Dip your cup in the river or lake and drink your fill. Bring home a few bucketsfull. No one will impose any charge for what you take.

Water is free to all. But it isn't always available where people want it in a condition safe for them to use.

It is your Utility District's job to take over the task of collecting water, transporting water and making sure that the water delivered is safe for human consumption and suitable for human use, 24 hours a day, 365 days a year.

AND THAT'S WHAT YOU PAY FOR WHEN YOU PAY YOUR WATER BILL.

All the water you need fo ryour personal needs—delivered where you need it each day for less than the price of a cup of coffee.

TRUCKEE PUBLIC UTILITY DISTRICT

A Tax-Saving Public Service Enterprise

ASKS SPORTSMEN TO LIVE UP TO CODE GIVEN BOY SCOUTS

SACRAMENTO— Director Seth Gordon of the California Department of Fish and Game has asked sportsmen and state employes to give active support to the Boy Scouts' 1954 National Conservation Good Turn program which starts March 21.

The former Boy Scout council president stated that "Boy Scouts, and their supporters, can materially influence California citizens to plan wisely for their future conservation and recreational needs. All of us concerned with fish and game resources can help to lead such influences in the right direction."

The Good Turn program was suggested by President Eisenhower, and is designed to arouse public recognition of the need for adequate protection and wise management of our soil, water, mineral, forest, grassland and wildlife resources. It will begin during National Wildlife Week, March 21 to 27.

Gordon urged every California hunter and fisherman, and those who use the outdoors for recreation, to adopt the following Boy Scouts' Outdoor Code for Americans":

As an American, I will do my best to:

BE CLEAN IN MY OUTDOOR MANNERS. I will treat the outdoors as a heritage to be improved for our greater enjoyment. I will keep trash and garbage out of America's water, fields, woods and roadways.

BE CAREFUL WITH FIRE. I will build my fire in a safe place and be sure it is dead out before I leave.

BE CONSIDERATE IN THE OUTDOORS. I will treat public and private property with respect. I will remember that the use of the outdoors is a privilege I may lose by abuse.

BE CONSERVATION-MINDED. I will learn how to practice good conservation of soil, water, forests, minerals, grasslands and wildlife, and I will urge others to do the same. I will use sportsman-like methods in all my outdoor activities.

POWER COMPANY HELD BLAMELESS FOR FOREST FIRE

RENO — Reno's 14-week long fish trial came to a close last week with the Sierra Pacific Company absolved of all responsibility in a forest fire which the High Sierra Corp. claimed did $725,000 worth of damage at its Fleisch fish hatcheries.

The jury returned a verdict in favor of the power company after 11½ hours of deliberation. Its vote was nine to three, the minimum number needed to return a verdict in a civil case.

Attorneys for the fish hatchery said they had made no decision as to whether the verdict would be appealed.

The fish rearing firm will have to pay all costs of the suit which it instituted against the power company.

The natural range of the Douglas fir is the western mountain chains of the United States and Canada.

Boy Scouts Observe 44th Birthday

44TH ANNIVERSARY 1954

BOY SCOUTS OF AMERICA

Official Boy Scout Week Poster

The 44th anniversary of the Boy Scouts of America will be observed during Boy Scout Week, Feb. 7 to 13, by more than 3,300,000 boys and adult leaders. Since 1910 more than 21,000,000 boys and leaders have been members.

Boy Scout Week will highlight the "Forward on Liberty's Team" theme which seeks to produce a greater functioning manpower and provide a higher quality program for an ever-increasing membership.

In countless communities, Scouts, their parents, local institutions and public officials will pay tribute to the leaders of 89,000 Units for the contribution they are making to the boyhood of America.

FEES ON FOREST LAND REDUCED FOR STOCK RAISERS

Supervisor Guerdon Ellis of the Tahoe National Forest announces that 1954 grazing fees for the use of the national forest lands are 46 cents per cow per month, and 12 cents per sheep per month. These are reductions respectively from last year's fees of 70 cents and 15¾ cents. Twenty-five per cent of the receipts from the fees will be returned to the counties in which the forest lies for their use for road and school purposes.

It is anticipated that about 2800 cattle and 13,000 sheep will graze under paid permit this summer. In addition, nearly as many cattle and sheep wil be authorized to graze under a cooperative procedure which regulates and provides for use by stockmen of intermixed private lands.

Ellis stated that range under national forest administration is managed with the objective of maintaining permanent forage supplies and protecting wildlife, rerceational and watershed values. All range for livestock is allocated to established dependable permittees, and no slack range is available.

ACCIDENTS CAUSED IN SPLIT SECOND

SACRAMENTO — "It doesn't take a second to make a fatal crash."

Authority for this statement comes from the provisional statistics released by the California Highway Patrol which indicate that more than one-fourth of all fatal accidents during 1953 were non-collision accidents. Of 2896 fatal accidents, 766 or 26.4 per cent, involved only one car.

"Most common types of non-collision accidents are those that occur when a car goes out of control and overturns on a roadway or runs off the highway," commented B. R. Caldwell, patrol commissioner.

Grass Valley Man To Seek Surveyor's Post

NEVADA CITY — William H. Carey, Jr., licensed land surveyor and making his home on Mohawk street, Grass Valley, has announced his candidacy for the elective office of county surveyor and thus became the first candidate in the county to announce for the June 8th election.

KIRKWOOD TO RUN

SACRAMENTO — Robert C. C. Kirkwood, state controller, today announced that he will be a candidate for election to the office which he now holds under appointment by Governor Earl Warren.

International Date Line

The 180th meridian became the "international date line" at a conference in Washington, D. C. in 1884, but some deviations were made in 1899 to adjust time problems for various islands in the North Pacific.

A "HOLE" IN ONE

THERE IS ONE KIND OF "HOLE IN ONE" THAT WE JUST DON'T BRAG ABOUT AND THAT'S A HOLE IN A PAIR OF PANTS.

Don't take a chance on burning a hole in your clothing by using makeshift equipment to get a press job.

You can have a professional pressing job on all your clothing many times for the cost of replacing one article that may be ruined.

WE GUARANTEE OUR WORK AND OUR SERVICE IS PROMPT.

Tahoe-Truckee School District News

KINGS BEACH

KINDERGARTEN AND FIRST GRADE: The following people finished their second reading books and are now ready to read Through the Gate: Dixie Lee Reese, Ronnie Baker, Marlea Draney, Elizabeth Omlar, Diane Dacus and Susan Graton.

Jerry Hill was welcomed back this week after three weeks stay in Sacramento.

Gwen Mizner from the sixth grade comes in to mix paint for us each morning.

SECOND AND THIRD GRADES: Kathlene Arney was seven years old January 26th. She had a party on Wednesday after school. After playing games. we had ice cream and birthday cake. Mrs. Jack Felte and Mrs. Robert Arney served the refreshments.

Barbara Croxen brought her two dolls to share with us.

Lynn Chatwin joined the Cub Scouts Thursday. He is in Den No. 2 under Den Mother Mrs. Chuck Malley.

FOURTH, FIFTH AND SIXTH GRADES: This week we finished our unit about the westward movement of our people in the United States. Each pupil had a map of the United States. For our final project, we looked up the facts about the Lewis and Clark expedition. President Jefferson and his secretary of state, James Monroe were represented by students Philip Mandeville and Curtis Draney. Lewis was Dennis Thompkins and Clark was David Decker. Karen Little played the part of Sakajawea the Indian woman who guided the party up the Missouri and across to the Pacific. Kenny Bailey played the part of the Frenchman who was married to Sakajawea and Jack McPherson wa sher brother. The rest of the class either took parts of the expedition of Indian tribes.

Our class won the thrift banner this week. We banked $8.53.

DONNER TRAIL

All the children made Batik cloth design this week. This is the ancient way of making a design on cloth that we learned from the people of Java.

We are planning to make a barometer from odds and ends for weather predictions. Our barometer is made from a bottle and we use a plastic straw for a gauge. We will let you know later if it works.

TAHOE LAKE

SECOND, THIRD AND FOURTH GRADES: This week the children have been making trucks of various kinds. Chipper Marvin has nearly completed a milk truck. Karen Henry is working on a tow truck and Mike Wright is making a snow plow. Safety is being stressed during our construction period.

FOURTH, FIFTH AND SIXTH GRADES: Our class has been working on a newspaper for the school. We have been writing news, sports and other features as well as drawing cartoons. Mrs. Briggs types the copy and runs it off on a ditto machine. All the rooms will contribute to the paper and we hope to have our first edition off this week. There will be no charge for it.

We all regret seeing Dennis Vierra leave us this week for Santa Cruz.

In the late part of the afternoon on Tuesday, Bill Verner had a party to celebrate his birthday. Bill served jello and cupcakes to all the children in the room.

Mrs. Patnoude, our school nurse, was our teacher one day last week when Mrs. Briggs was ill.

We are organizing acts for our next school assebly which will be held Friday, February 5th.

Truckee Elementary

KINDERGARTEN: Friday Mrs. Trask's second grade class visited our class and heard us sing several action songs.

Courtney Lewis will attend the kindergarten in Reno where he is living with his parents and we are sorry to see him go.

Our January birthday party has been delayed because of the illness of the celebrants but we hope to hold it next week. Anne Morey, Larry Digesti, Joe Frates and Charles Hintz were six years old this month.

FIRST GRADE: The first grade is going on a short trip next week around Truckee. They are making a community map and we need to know the location of streets and business houses.

SECOND GRADE: We made many gay chalk drawings which we hung in our room and in the hall.

Lynn Quartly, Sherrian Donnis, Peggy Eisenhower, Rod Leisure, Eric Scow and Lewis Heil began taking ski lessons Monday.

THIRD GRADE: Gale Johnson, Susan Winston, Linda Elf, Kathy Curran, Daven Morey and Sandra Wardman have finished the mural telling the five most interesting parts of the story, Sugar Candy House.

Those on the spelling honor roll this week are Helen Kohl, Freddie Steele, Shirley Guymer, Diane Patton, Mary Ann Miller, Dennis Whiteneck, Joe Parkhurst and Sandra Wardman.

FOURTH GRADE: This week the fourth grade enjoyed using the tape recorder to help them improve their speaking and reading. After hearing themselves, they decided to improve.

SIXTH GRADE: Group one in arithmetic is doing multiplication of fractions. Group two is doing division of decimals and group three is doing addition of unlike fractions.

Susan Scow is back in school. Dick Spoon is still absent. Frank Cadjew is recovering fro ma broken leg and Ireda Harhis is back from her trip to Idaho.

Cub Scout News

Glenn Lee was appointed as Cub Master at a committee meeting held at the home of Mr. and Mrs. Hugh Weinand Monday and new members of the committee include Lynn Kishbaugh, James Walker and Gilbert Kumle.

Mrs. Joseph Straub was named publicity chairman and Mrs. Clarence Osburn is assistant Den Mother of Den No. 4.

Mrs. Weinand and Mrs. Osburn volunteered to assist during the continued drive for old papers which will be picked up by them every Tuesday afternoon at 4. The Cub Scouts will also go from door to door and those contributing papers are asked to tie them in small bundles so they can be handled by the boys.

The four Dens which meet on Tuesday are currently working on Valentine gifts.

Den No. 1 was under the direction of Mrs. Zuber during the illness of Den Mother Mrs. Wilbur Glenn.

Den No. 2 members Denner Quentin Kay and assistant Gene Miller received their stripes from Den Mother Mrs. James Walker.

Mrs. Joseph Straub, assistant, took charge of Den No. 3 when Den Mother Mrs. D. L. McGihon was ill.

Mrs. Hugh Weinand conducted the meeting of Den No. 4 devoting the itme to routine business.

PRIEST SPEAKS AT ROTARY MEETING

Father Ronan Brennan of the Truckee Catholic Church, delivered a very timely talk on world communism to the local Rotary Club at their meeting Monday night.

Communism is an ideology that is difficult to detect in any group of people, Father Brennan explained. It affects the wealthy as well as the poor. A complete review of the communist movement was told by the priest who has made an extensive study of the subject as a personal hobby.

The club added another $20 to the March of Dimes. Induction ceremonies were held for Darrell Knoefler, Al Pitts, Allen Pollack, and Irwin Single. Past president James Sherritt conducted the induction rites. Johnny Richards presided and Johnny Ciardella was program chairman.

Ski at Bowl—

Mr. and Mrs. Brook Walker with the Wellington Hendersons, David Gregorys and Sherman Chickerings, all of San Francisco, have been making frequent trips to the Sugar Bowl where they enjoy the skiing.

In Valley—

Mr. and Mrs. L. Westcoatt were valley visitors Wednesday.

In Berkeley—

Mrs. Jack Neugebauer was in Berkeley on Monday.

Enjoying Vacation—

Robert Bick is enjoying a vacation from his position as first trick operator for the Southern Pacific.

Fairs Away—

Mrs. Wesley Fair and daughter are visiting Long Beach relatives while her husband is working at Lincoln. The family plans to return here in the spring.

From Kentfield—

Mr. and Mrs. William Gray of Kentfield were up skiing this past week.

75 Years Ago

A reminder in the Grass Valley Union relates that 75 years ago the Truckee Republican published the fact that visitors to Lake Tahoe on January 26 had caught large trout ranging in weight from 10 to 27 pounds.

Returns to Sity—

Frank Gaiennie accompanied by his mother, Mrs. Clarence Browne, returned to San Francisco Sunday where he will have further treatment on his hand following a recent operation.

Play Cards—

Mrs. John Gracik entertained a group of young local matorns Monday evening at her home where cards were played and refreshments served.

CARD OF THANKS

To the many people, and especially members of the fire department, who assisted in the rescue of our unruly parakeet, we wish to express our thanks.

Mrs. Charles Kay

CARD OF THANKS

I take this means of expressing my most sincere thanks for the many kindnesses shown during my recent bereavement. Especially do I appreciate the actions and words of sympathy from the officers and members of Truckee Lodge No. 200, F.& A.M. and the many friends and relatives.

Alma Sexton.

CARD OF THANKS

I would like to take this means of thanking my many friends for their cards during my stay in the hospital. Also the Truckee Lions Club and Howard Newsham for the chance to talk to the members.

Frank Gaiennie.

Tarzan

by EDGAR RICE BURROUGHS

A LABOR DETAIL WAS ORDERED TO OPEN KING INTEP'S TOMB. RELUCTANTLY, YET OBEDIENTLY, THE SLAVES BEGAN THEIR SACRILEGE.

... SEVERAL DAYS PASSED AND, FINALLY, UNDER THE INSISTENCE OF HEROT'S WHIP, THE SLAVES ENTERED THE ANTI-CHAMBER!

NERVOUSLY, EVERYONE WATCHED THE WORKERS SLOWLY LOOSEN THE STONES IN A THIN WALL -- PARTITION TO THE INTERIOR OF THE TOMB!

BUT NOW THE SLAVES SUDDENLY BALKED. THE ANXIOUS PRIESTS GRABBED WHIPS AND FLOGGED THEM, BUT TO NO AVAIL---

THEN, IN A FIT OF IMPATIENCE, THEY LEAPED FORWARD AND FEVERISHLY PULLED OUT THE BLOCKS THEMSELVES!

THE OTHERS WATCHED IN AWE AS THE PRIESTS NOW PUSHED AND SHOVED THEIR WAY INSIDE. NO ONE BREATHED—

UNTIL THE TENSION WAS DISSOLVED BY A MUFFLED SCREAM! TWO PRIESTS SOON APPEARED, CHOKING IN AGONY -- SMITTEN BY INTEP'S CURSE!
